Architecture and Design

Matthias Böckmann, Dennis Kubitza
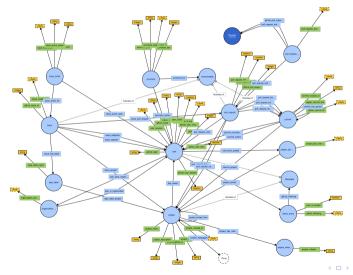

Lab 4314

29. Mai 2018

## Content Overview

- Discuss Onthology
- Discuss Process - Diagram
- Physical View notes

Onthology

Processing Graph

Physical View

We have some pending Design decisions dependent on the resources we will get:

- Need large data store (probably 20TB)
- Powerful internet connection for download
- Many processors for parallel computations

Thank you for your attention
